VOL. 10, NO. 249 MONESSEN, PA., TUESDAY, MARCH 26, 1912 SIX CENTS THE WEEK

INDICATIONS BRIGHT FOR BETTER ROADS

Secretary C. L. Schuck of the Board of Trade, acting for that body and particularly for the Public Roads committee of the organization, has kept on the trail of State Highway Commissioner E. M. Bigelow for several weeks regarding operations on the Rostraver township petitions that have been filed for state aid. He had indicated to a committee from the Board and the Civic League of Belle Vernon that he would go over the routes with his engineer for an inspection.

The one from Webster to Belle Vernon along the rivet, but excluding the improved streets of Monessen is in greatest demand as these highways are unfit and unsafe for public travel. By appointment over the telephone Mr. Schuck met Samuel D. Foster, chief engineer of the State Highway department, yesterday afternoon in Greensburg.

Mr. Bigelow has stated before that whatever arrangements Mr. Foster made would be followed up at once.

After a presentation of the urgent need of operations on these petitions, Mr. Foster said that either he and Mr. Bigelow would be up over the roads within a week or ten days or order a survey to be made previous to their visit.

The Westmoreland county court also has granted viewers on the petition for widening and relocating this road between here and Webster and a date will be set for a view within 15 days.

Donora to Have Street Market

The borough council of Donora will meet this evening, in special session, at which time a resolution will likely be offered and passed, providing for the establishment of a curb market in that town. Two days a week will likely be set aside for that purpose and farmers invited to come to Donora and sell their produce. This factor will induce many farmers to take their products to the up-river steel town.

COL. ROBBINS' CLAIM ON THIS VALLEY

Hon. E. E. Robbins candidate for Congress arrived in Monessen this afternoon and will spend some time meeting his many friends and the voters of the valley in general. Mr. Robbins is well known throughout this section and can practically be considered a home candidate. For many years he has represented heavy

E. E. ROBBINS

interests in Rostraver township and has always been active in promoting the welfare of this section.

Nowhere in the Twenty second congressional district is there more enthusiasm for him, than in the Monongahela and Youghiogheny river valleys. All the towns, and townships along these waterways will roll up a big vote for their favorite candidate. The enthusiastic manner in which Mr. Robbins has always entered into plans for the betterment of conditions along these streams has won him a place of respect with the people of these districts and now that the time has come when they can repay the debt there will be no hesitancy or division of opinion.

Mr. Robbins was in Butler county a part of last week meeting with the voters and all over that county there is an enthusiastic sentiment for him. His fair view in the past of the rights of Butler county will stand him in good stead in his present campaign. The Butler people believe that Mr. Robbins is the logical candidate and to him their support will be given.

In his home county every district will return a heavy vote for him. Mr. Robbins' friends in every district are hustling and his support will be a tribute to the candidate's ability to fill the place, which he seeks, with credit to the district.

F. W. Haben is Dead

Children's Pink Tea a Success

The pink tea held in the basement of the Christian church Monday evening by the members of the Golden Rule class was very much of a success, the attendance being greater than was expected. The evening was one of general sociability and free-handed enjoyment aside from the luncheon which everybody enjoyed. The menu consisted of sandwiches, deviled eggs, ice cream, coffee or sassafras, etc., and in serving, the girls were assisted by Mrs. McKenney, their teacher and a number of other ladies of the church. Quite a nice sum of money was realized and the class and teacher are very grateful to all for their kind patronage.

Some People Are Awfully, Fearfully Made

The following article appeared in yesterday mornings Pittsburgh Gazette Times.

"Cambridge, Mass., March 24—Nine out of every ten women of Boston are bow-legged or knock-kneed, says Mrs. Lilla Viles Wyman, well known as a teacher of fancy dancing. Fashionable Boston is shocked. And to cap the climax Miss Anna Benson Rees, a society belle of Kenucky, who is visiting in the Hub, says that when it comes to big feet, Chicago has nothing on some of the Boston belles, and debutantes for possessing large pedal extremities. Mrs. Wyman says:

"Nine-tenths of the women of Boston are bow legged or knock-kneed. The average knock-kneed girl is but slightly affected, her knees bulging inwardly just the least bit. There are others, however, whose conditions worse. Their knees bulge inwardly until they almost touch. Such a pair might be called spavined legs. Such defects spoil what otherwise might be well-formed legs. They lack symmetry and such is the fate of a majority of the girls and women.

"In my opinion, perfect shaped legs are those tt at turn outward from the hips and are symmetrical, with small ankles and calves that expand gracefully. The knees should be straight. Such legs may be fat or lean, but should have straight knees. Few women possess such a perfect pair of legs. I dare say that if 25 of our society women were to give a calisthenic exhibition, it would be discovered that probably but one or two would have perfect legs."

The above may be correct or otherwise but we're from Missouri.

New Christian Church Pastor

The Christian church at Monongahela has a new pastor in the person of Rev. A. B. Cunningham, who comes from Massachusetts, being a minister and public speaker of considerable note. He will assume his new duties next Sabbath, March 31st, and his wife and daughter will come a little later. The First Christian church of Monongahela has just been repaired and now presents a very attractive appearance.

CANDIDATE McCURDY IS MAKING FRIENDS

Joseph A. McCurdy of Greensburg one of the Republican candidates for state senate is in town today looking after matters pertaining to his campaign. This is his second visit to this section of the county since the campaign opened and he is meeting with encouragement on the part of his many friends. Mr. McCurdy is

JOSEPH A. McCURDY

making a clean campaign and expressed himself today strictly opposed to any tactict that will tend to poison the minds of the voters. He believes a man should seek an office such as the senate on his personal qualifications and fitness, else he is unworthy to serve the public in such a capacity.

Mr. McCurdy claims to be strong in some sections of the county and he asks his friends along the Monongahela river and adjacent sections to rally to his support and help him win and should he be nominated and elected in return he promises a clean and honorable administration, free from the juggling tactics of the scheming politician. It is known to the people of Westmoreland county that Mr. McCurdy has always been a consistent Republican, believing in the principles of the party and ready to do service when called upon. Unlike many others he has not used the party to further his own interests above that of his community or the commonwealth. If the party should nominate him no voter need have any scruples about supporting him at the Novemter election.

JEANNETTE CHOOSES A DARK HORSE

"There is a tumult in the city." Jeannette is the city and the tumult is over the appointment of a Justice of the Peace to succeed Squire Theo. Ebberts, deceased. Six candidates got the slough and as John Trescher in the Jeannette Dispatch puts it Harry Tussy, a dark horse got the persimmon. Tussey was not a candidate for the place until he surveyed the field and found the six who were scraping the ground were all "insurgents", "Keystoners," "Progressives," or whatever you call them. It was at this turn that Tussey realized that he would have a little sport with the boys so he sent his application to Harrisburg and Gov. Tener made the appointment. Tussey is a republican, regular, after the party has nominated its men and his reward of merit is considered by his friends well earned. But they do say there are a number dissatisfied with the new Squire but Tussey will move the wheels of Justice just the same.

That Awful House Fly

Another campaign is necessarily to be waged this summer against the common house fly. The 1912 style of campaign will be simplified and reduced to the single home in the country and to the block of houses in towns and cities. More action will be taken and more energy will be expended this year than in any previous year.

It has been worked out and solved with great certainty that the house fly is the greatest disease distributer on earth. Microscopical examinations and experiments have proved conclusively that the house fly is a rapacious scavenger that feeds upon all manner of diseases and decomposition and that it transmits diseases very easily.

Since definite information about the danger of the fly as a disease distributer has been secured, a careful fight against the pest will be made this spring and summer. In the battle against the common pest, each family will be urged to co-operate in the movement to the extent of barring windows and doors with screens. Districts where filth accumulates should be and no doubt will be scrutinized by the health offiers. When feeding and breeding places for flies are destroyed and removed there will not appear large swarms of the pests. Monessen has started the campaign right by scrubbing streets with water and cleaning from yards and alleys the filth accumulations of a long winter.

The man who said that cleanliness is next to godliness evidently knew that the fly was a disease distributer.

It is but a short time now until May the first when the majority of people will begin to move and this matter has brought forth a warning from State Commissioner of Health Samuel G. Dixon and the essence of the warning is to inquire of the landlord whether the previous occupants were afflicted with any contagious disease and to have the place disinfected.

This warning should be taken into mind especially when it is taken into consideration that often in this locality foreigners gather together sometimes as many as five or six in one room and disease is particularly communicable in a case of this kind. The department states: "In every community in the Commonwealth there are houses with evil records and there are ever unsuspecting victims who come to make homes within their deadly walls. No man would knowingly put his loved ones in peril, yet how many people inquire into the previous history of a dwelling place before engaging it. How many demand a clean bill of health for it and insist that proper precautions be taken to insure its habitability."

There is a trained Health Officer in every city and town in the State but too often householders fail to welcome these warriors for health who come in their canvas armor to wipe out the possibility of subsequent infections of others following contagious and communicable disease. These directions should be born in mind by all the people of this vicinity, for the State is making a determined effort to put a check on the advancement of any form of disease whatsoever, and every assistance possible rendered them.

Richeson and Commutation

Editorially, the Philadelphia Inquirer says:—"While they have not as yet made public their plans there is little doubt that friends of C. V. T. Richeson, the murderer of Avis Linnell, are making preparations to secure for him, if possible, a commutation of the death sentence. It is said that they hope to obtain for him a life term instead.

The sucessful fruition of such plans would involve a miscarriage of justice such as no right-thinking person would wish to see. Few would argue in favor of the carrying out of the law's demands merely that the death of that little girl be avenged. There is a greater principle at stake, and it is a principle that should not be ignored by those who are seeking to cheat the law.

To commute the sentence of this man, who, after ruining a girl to whom he had pledged himself, deliberately plotted to kill her, did kill her, and who, until caught apparantly was unmoved by his crime, would be to encourage all who may be inclined the same way and are now confronted by two alternatives.

C. V. T. Richeson deserves capital punishment if man ever did, and those who are seeking to have him escape it are actuated more by their sympathies than their better judgment."

Donora is the first town in the valley to inaugurate the curb market. It may or may not be a success we are not in a position to prophesy but the attempt shows a mark of enterprise on the part of Donora. At a glance we are unable to see any reason why the curb market should not be as much of a success in this valley as it is elsewhere. Throughout the south and west such a place set aside by a city is made one of the busiest business places to be found. On market days farmers crowd there with their produce and it being fresh from the country people flock there to buy and they find not only attractive prices but a comodity of the highest quality. Thus it is that the curb market in many of the cities becomes as essential to the welfare of the community as any other enterprise. If Donora is first in the list to establish such an acquistion other towns will be ready to fall in line readily.

Keep The Kidneys Well

Health is Worth Saving, and Some Monessen People Know How to Save it

Many Monessen people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger. Use Doan's Kidney Pills—a remedy that has cured thousands of kidney sufferers.

The following statement leaves no ground for doubt.

Charles Conaghan, Market street, Belle Vernon, Pa., says: "My work required me to stoop over much of the time and I think this was the cause of my kidney trouble. My back was so stiff and sore that I could hardly get out of bed in the morning. My limbs were also lame and I was annoyed by too frequent passages of the kidney secretions. Having heard of Doan's Kidney Pills I obtained a box and had taken but a few doses before I noticed improvement. In a few days the soreness had left my back and I felt better, in every way. I am only too glad to recommend Doan's Kidney Pills."

Rev. M. B. Houck who until recently conducted a series of Evangelistic meetings at the local Presbyterian church is now holding a two weeks services at the M. E church in Allenport.

The recent rains have played the usual stunt with the walks along the side of upper Sixth street and they are covered in some places almost completely with a layer of mud almost a half a foot deep.

There will be a meeting of the Personal Worker's League Friday evening March 29, at 8 o'clock. The purpose of the meeting is for the adoption of a constitution and an election of officers. Everbody is welcome.

DIED—The twin boys of Mr. and Mrs. Lewis Larguire died yesterday at the home of their parents at 139 Fourth street and were buried in Grandview cemetery yesterday afternoon.

Thursday afternoon at 2:30 o'clock a Willow Plate social will be held at the home of Mrs. George Nash on McKee avenue. Members of all churches are invited and an offering will be taken for missionery purposes.

C. S. Duvall arrived home yesterday from a business trip to Oklahoma. Mr. Duvall and others have an interest in a lead mine in that country and operations were under way for a big strike. The strike was made while Mr. Duvall was on the ground. There is every indication that the mine will prove to be a good investment.

SHE SUFFERED TEN MONTHS

Mrs. Blankenship Tells of Her Restoration to Health by Lydia E. Pinkham's Vegetable Compound.

Elliston, Va.—"I feel it my duty to express my thanks for what Lydia E. Pinkham's Vegetable Compound has done for me. I was a sufferer from female troubles and had been confined in bed over one third of my time for ten months. I could not do my housework and had fainting spells so that my husband could not leave me alone for five minutes at a time.

"Now I have been restored to health and it has come from taking Lydia E. Pinkham's Vegetable Compound. Whenever I see a suffering woman I want to tell her what this medicine has done for me and I will always speak a good word for it."—Mrs. ROBERT BLANKENSHIP, Elliston, Va., Montgomery Co.

Was Helpless—Now Well.

Trenton, Mo.—"About two years ago I had female trouble and inflammation so bad that I was literally helpless and had to be tended like a baby. I could not move my body or lift my foot for such severe pains that I had to scream. I was very nervous and had a weakness.

"Lydia E. Pinkham's Vegetable Compound has helped me to such an extent that I think there is no medicine like it for female troubles. I am up and able to do my work again and I give you full permission to publish my letter for the sake of other suffering women."—Mrs. W. T. PURNELL, 320-10th St., Trenton, Mo.

Among the Theatres

OLYMPIC

Today's program at the Olympic is four fine reels of photo plays. In addition to our regular program tomorrow a special picture "The Fool's of Society," an enorous production 3,000 feet in length that has been secured at a great expense for the benefit of our patrons and you certainly miss something every day if you fail to attend the Olympic. This week our vaudeville will be better than ever and has been secured at a big advance in cost over any before. 1t

THE BIJOU

A special feature has been secured at the Bijou today in "A Victim of Circumstance," a thrilling story of gripping interest with an exciting climax. See the great prison scene. Also showing "His Wife's Mother," a Lubin drama that is sure to please. Other good pictures and special music daily by our orchestra. 1t

SOMETHING EXCITING AT STAR THEATRE

Star theatre patrons for the first three days of the week may see one of the best bills that has ever been on the boards there for some time. From start to finish the bill is made up of acts each one a feature in itself. Reid's Cycling Duo in a novelty act are a strong opening and many difficult and sensational feats are performed by this pair of artists. Robert Wingate the champion bone soloist of the world is in a class all by himself and his tricks are without doubt the best ever seen here. A reward of $100 is offered anyone who can equal his tricks and one is pretty safe in saying that it will be many a day before any one can cop the prize. The biggest hit of the evening, "The Omega Trio," certainly are laugh producers and each one of the three would have made a decided hit were they put in an act by themselves J. T. Crowley as the Dutchman, Hans Schweitzer, kept the audience in convulsions during the entire act, his character impersonation being well nigh perfect. High class photoplays closed the bill.

Sammy Barton Visiting Here

Sammie Barton, one of the best known and most popular character impersonators on the vaudeville stage today, is visiting here the guests of friends for a week or ten days. Mr. Barton until recently sang at the Palace theatre in Charleroi and had to give up his position there because of his voice giving out owing to the great strain of the work. He expects to go into vaudeville again in a short time and from what is known of Mr. Barton in this vicinity there is no doubt but that he will make as ing a success this time as he has before, if not an even bigger and greater success

GOOD REPERTOIRE AT THE LIBERTY

The Frank Zee Rell Stock Company opened at the Liberty theatre last evening and this company of ten artists certainly made good with their first production, "School Days." A good crowd was on hand and evidences point to an even greater attendance this evening when "College Days" will be presented here for the first time.

Each member of the company played their parts right up to the handle but the acting of Mr. Zee Rell as Patsy Bolivar stood out a little in advance of the remainder and when one considers that he is past 65 years of age his ability stands out all the more prominent. Matinees will be given tomorrow and Saturday and every night for the remainder of the week with a complete change of program each day.

CHILDREN INJURED

Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency and purgatives are apt to do more harm than good. They may cause griping, nausea and other distressing after-effects that are frequently health-destroying.

We personally recomend and guarantee Rexall Orderlies as the safest and most dependable remedy, which we know, for constipation and associate bowel disorders. We have such absolute faith in the virtue of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects They have a very mild but positive action upon the organs with which they come in contact, apparantly acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus over-coming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Rexall Orderlies commonly completely relieve constipation, except of course when of a surgical character They also tend to over-come the necessity of constantly taking laxatives to keep the bowels in normal condition. Three sizes of package, 10 cents, 25 cents, and 50 cents. Remedies in Monessen only at our store, The Rexall Store. Craig's Drug Store.

His Sign Said So.

One evening at 7 o'clock a man with a wife and 11 children, many of them grown up, appeared at the entrance to an entertainment hall, bought two tickets and demanded that the entire family should be admitted

The doorkeeper declined to admit the family with two tickets only

"But all these are my children," said the man

"Of course," said the doorkeeper, "but some of them are too old to be admitted free"

"Too old? What's that to do with it? Don't it say on your bills that children under 12 are admitted free with parents?"

"Yes"

"Well, I've only got 11 children, and if 11 children aren't under 12 I'm beat."—Everybody's Weekly.
